

Smile. You're at Old Town

Old Town's boardwalk style streets are reminiscent of turn of the century Florida, but we have a "1950s" vibe. Here, you'll find a shopping emporium with specialty shops, amusement rides, restaurants and so much more! Plan to stay late because we turn up the volume at night for our famous classic car cruises and special events.

Big time thrill rides are here!

Big time thrill rides, family rides and kiddie rides – FUN FOR EVERYONE – all within a family's budget at Old Town, 365-days of the year. Go Karts, Bumper Cars and a giant Roller Coaster are some of the favorites. Little ones can hop on the uniquely painted horses of the Merry-Go-Round, spin on the Tea Cups, ride the Wacky Worm Kiddie Coaster and more!

Discover hidden delights!

Fast food, fine dining, casual dining, ethnic food – it is all here! And, ice cream, nuts, candy and all the munchies are around every corner! You'll also enjoy dancing, singing and being part of the happening nightlife at Old Town because the bars stay open until 2:00 am.

Old Town loves rock 'n' roll!

Do you love rock 'n' roll? Then, you'll enjoy Old Town on Wednesdays, Fridays and Saturdays for *live* concerts on Main Stage. During *Rock at the Clock* on Wednesdays, you'll think you're seeing "The King of Rock 'n' Roll" himself!
